

Manuel Conthe

Born in Madrid (Spain) on 04/23/1954
Spanish nationality
Tel. +34 697 801 570
manuel.conthe@mconthe.com

Manuel Conthe is a full-time international arbitrator. He is also a columnist of the Spanish leading business newspaper, *Expansión*. He is a lawyer and economist with a recognized expertise in finance, currency issues, energy, corporate issues, valuation of damages and cognitive biases in decision-making. During his long domestic and international professional career, he has developed a reputation for independence, integrity and analytical skills.

CURRENT OCCUPATION

- Independent arbitrator (see his cases below)

LANGUAGES

- **Spanish:** mother tongue
- **English:** perfect command
- **French:** fluent
- **German:** full reading proficiency
- **Portuguese:** full reading proficiency

EDUCATION

- 1971-1976 Law degree from Universidad Autónoma de Madrid (UAM). Final research paper: Special Drawing Rights (SDR).
 - During that period, he also studied Economics at the Universidad Complutense de Madrid (UCM), but did not graduate.
 - 1976-1977 Research grant on International Law at Universidad Autónoma de Madrid (UAM) on the public policy (“orden público”) exception.
- December 1978. He joined the Special Corps of State Economists (“Técnicos Comerciales del Estado”).
- 2001 Executive Education Program at Harvard Business School.

PROFESSIONAL EXPERIENCE

Feb 2020 - July 2026 | ***Appointed by Spain to the list of official ICSID arbitrators***

Apr. 2018 – February 2022 | ***Non-executive independent director of Unicaja Banco***

Dec. 2017 – March 2019 | ***President of Spain's Arbitration Court***

June 2011 – April 2019 | ***Non-executive independent director of Acerinox***

Dec. 2007 – March 2019 | ***Chairman of the Advisory Board of Expansión***

Sep. 2009 – March 2015 | ***Of Counsel at Bird&Bird***

- He started as arbitrator in late 2009 as Of-Counsel in Bird&Bird LLP Madrid, a position he left in March 2015 to avoid conflicts of interests and keep working as independent arbitrator.
- 2013-2014 Member of the expert's group advising Spain's Securities & Exchange Commission (CNMV) and Ministry of Economy on the 2014 reform of Spain's Companies Act ("Ley de Sociedades de Capital") and the 2015 Code of Corporate Governance.

Oct. 2004 – May 2007 | ***Chairman of Spain's Securities & Exchange Commission (CNMV)***

- He chaired the Task Force which drafted Spain's 2006 Corporate Governance Code.
- He oversaw the introduction in 2005 of IAS-IFRS accounting standards by Spanish listed companies.
- As CNMV's representative to the International Organization of Securities Commissions (IOSCO), he chaired IOSCO's Task Forces on "Board independence" and "Protection of minority shareholders"
- He helped the Public Interest Oversight Board (PIOB) -i.e. the public international body overseeing the international audit and ethics standards approved by the standard-setting boards of the International Federation of Accountants (IFAC)- establish its Secretariat in Madrid (Spain), sharing premises with IOSCO.
- He was a member of the High Level Committee overseeing the new Iberian Electricity Market.

Oct. 2002 – Oct. 2004 | ***Partner of Analistas Financieros Internacionales (AFI)***

- He led consulting projects in Latin American and Eastern Europe for the World Bank, IFC and IDB on funding of transnational infrastructure projects, regulatory risks in FDI projects, financial regulation and housing finance.
- He prepared for the IDB the study "The perception by Spanish investors of regulatory and institutional risks in Latin America" (2004).
- He worked for Spain's Regional Governments on the use of Public-Private-Partnerships (PPP) for the provision of health services.
- In 2004 he was appointed alternate representative of the private sector to the European Investment Bank's board.

April 1999 – September 2002 | ***Vice President at the World Bank***

- He co-chaired the World Bank Finance & Private Sector Infrastructure (FIPSI) Network.
-

- As Vice-president for Finance (April 1999-June 2001), he represented the World Bank in the “Financial Stability Forum” (currently, Financial Stability Board). He was a member of its working group on capital movements and of the Monitoring Group of international audit standard setting and audit quality.
- In close cooperation with the IMF, he rolled out the “Financial Sector Assessment Program” (FSAP).
- He promoted a special Technical Assistance Program on the development of domestic bond markets.
- He represented the World Bank in the 2000 AAOIFI-World Bank Conference on Islamic Banking and Finance.
- As Special Advisor to the Bank’s CFO (July 2001-September 2002), he worked on the IMF’s “Sovereign Debt Restructuring Mechanism” draft and on the World Bank Group’s strategy to promote foreign direct investments in emerging economies.

*July 1996 – March 1999 | **Chief Economic and Commercial Counselor, Spain’s Permanent Representation to the EU***

- He was Spain’s Deputy Representative to the EU’s Trade Policy Committee (“113 Committee”) in Brussels and as such was (indirectly) involved in:
 - The negotiation in the WTO of the ITA Agreement to remove tariffs on IT products
 - WTO dispute settlement panels involving the EU (e.g. bananas)
 - EU’s Preferential Trade Agreements
 - The preparation of the then called “Millenium Round” (the fore-runner of the “Doha Round”)
 - Bilateral EU-USA trade issues and negotiations (e.g. Helms Burton)
 - The OECD negotiations on a “Multilateral Agreement on Investments” (MAI).
- He participated as part of Spain’s delegation in the first Ministerial WTO Conference held in Singapore in December 1996.

*Nov. 1995 – May 1996 | **Deputy Minister for Economy (“Secretario de Estado de Economía”)***

- During the December 1995 European Council in Madrid, he drafted its Conclusions on the “scenario for the introduction of the euro”
- He was Secretary General of the Ministers’ Comission for Economic Matters (“Comisión Delegada para Asuntos Económicos”).
- He approved the securitization by Spanish electric utilities of the so-called “nuclear moratorium”
- Non-executive director of SEPI, the Spanish State’s industrial holding company.

*Oct. 1988 – Nov. 1995 | **Director General of the Treasury and Financial Policy***

- As the Kingdom’s Chief Financial Officer (CFO), he was in charge of Spain’s sovereign borrowing, derivatives and cash management programs, and took a leading role in the modernization of Spain’s domestic public debt market. In close collaboration with the Bank of Spain, he specifically helped develop:
 - The Treasury’s group of market makers;
 - The regulation of Spain’s first future and option markets on peseta government bonds;
 - The new system of personal government bond accounts at the Bank of Spain for retail investors (“cuentas directas”);
 - A new type of mutual funds investing primarily on government bonds (“Fondtesoros”)
- He drafted all major Government regulations and laws on banking and financial markets, including the Law on Autonomy of the Bank of Spain, the Law on Securitization of Financial Assets and the regulation of the domestic futures and options markets.
- As member of the EU Monetary Committee, he negotiated the entry of the peseta into the European Monetary System (June 1989) and its subsequent four devaluations.
- He led Spain’s delegation to the 1990 Conference which created the EBRD.
- He led Spain’s delegation to the 1991 Inter-governmental Conference on Economic and Monetary Union which negotiated the 1992 Maastricht Treaty.

- Member of the Board of the Bank of Spain and of Spain's Securities & Exchange Commission (CNMV).
- Member of the Board of the European Investment Bank (EIB) (up to 1993)
- As chairman of the Interministerial Committee on Foreign Borrowing (CIFEX), he controlled and supervised foreign currency borrowing by Spanish public entities, as well as access by Spain's highway companies to the Government's exchange risk guarantee ("seguro de tipo de cambio")

*Dec. 1986 – Oct. 1988 | **Director General for Foreign Transactions & Investments***

- As head of Spain's Foreign Transactions Directorate, he chaired the committee which screened and approved all major FDI projects involving a foreign majority stake.
- He led Spain's delegation to the 1988 Washington conference which led to the creation of the Multilateral Investment Guarantee Agency (MIGA).
- Non-executive director, representing the Government, at Banco Exterior and Repsol Exploración.

*Dec. 1984 – Dec. 1986 | **Assistant Director General of the Treasury for External Finance***

- As Deputy CFO for the Kingdom of Spain, he managed Spain's foreign borrowings and its relations with international capital markets and rating agencies.
- He negotiated and managed the Kingdom's currency and interest rate swaps.
- He controlled and supervised foreign currency borrowings by Spanish public entities, as well as highway companies benefitting from a sovereign exchange risk guarantee.
- He promoted and supervised the foreign peseta bond market ("mercado matador").

1979 – 1984

- 1981-1984 Technical Assistant to Executive Director at the Inter-American Development Bank (IDB). Besides reviewing all loans and investment projects funded by the IADB and submitted to the Board for approval, he was closely involved in the negotiation of the IADB's fifth capital replenishment and the establishment of the Inter-American Investment Corporation.
- 1979-1981 Junior official at the Ministry of Commerce of Spain, dealing with trade promotion and screening of FDI projects in Spain.
- In December 1978 he joined the "Special Corps of Government Economists" ("Técnicos Comerciales y Economistas del Estado") of the Ministry of Commerce.

AREAS OF PARTICULAR EXPERTISE

- Financial markets (equity swaps, IRS and derivatives, securitization, banking regulations, credit insurance, IFRS, accounting and financial reporting; investor protection and mis-selling claims, market abuse)
- Regulation of electricity & energy markets and valuation of electricity & energy companies
- Corporate transactions and governance (valuation of companies and joint ventures, shareholders' agreements, M&A and take-over disputes; corporate governance issues, directors' fiduciary duties, related-party transactions)
- Foreign direct investments, including regulatory risks, financing and regulation
- Public-Private Partnerships
- Monetary and currency laws & contractual clauses
- Trade laws & WTO Agreements (GATT, GATS, TRIMS...)
